ZOOLOGIST:

A

POPULAR MISCELLANY

OF

NATURAL HISTORY.

CONDUCTED BY

EDWARD NEWMAN, F.L.S., Memb. Imp. L.-C. Acad.

VOLUME THE SIXTEENTH.

LONDON:
JOHN VAN VOORST, PATERNOSTER ROW.

M.DCCC.LVIII.

Oh, attend, whoever thou art,
Whose candid bosom the refining love
Of Nature warms; oh! listen to my song;
And I will guide thee to her favorite walks,
And teach thy solitude her voice to hear,
And point her loveliest features to thy view.

FLETCHER.
